

Monday – 11.3.2019						
	Location: Aula im Löwengebäude (see site map on page *** of this volume)					
13:00	Opening Ceremony Welcome by the local organizers, **** and the President of the DGaaE Award of the <i>Escherich Medal</i> and the <i>Fabricius Medal</i> (see separate program on page *** of this volume)					
	Location: Melanchthonianum (see site map on page *** of this volume)					
15:15	Coffee Break					
16:00		Room	Room	Room		
		Landscape Ecology and Nature Conservation	Insect-microorganism Interactions	Insect-Plant Interactions		
		<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>		
		TERMIN NICHT VERSCHIEBEN!!! Gardiner, M.: The balancing act of urban conservation: Can vacant land support biodiversity and ecosystem services in cities?	TERMIN NICHT VERSCHIEBEN!!! Douglas, A. E.: Insect microbiomes as biomedical model and target for insect pest control	TERMIN NICHT VERSCHIEBEN!!! Gatehouse, A. M. R.: Technologies and molecules for crop protection		
16:40						
17:00						
17:20						
17:40	Short break					
	Location: Leopoldina Festsaal (see site map on page *** of this volume)					
18:00	Plenary talk of the Entomology Congress 2019 – Leopoldina Lecture B. Hölldobler: Der Superorganismus: Kommunikation, Kooperation und Konflikt in Ameisengesellschaften					
19:00	Short break					
	Location: Bourse zur Tulpe (see site map on page *** of this volume)					
19:30	Ice Breaker					
20:30	End of Ice Breaker					

Monday – 11.3.2019 – Monday – 11.3.2019 – Monday – 11.3.2019 – Monday – 11.3.2019 – Monday – 11.3.2019 – Monday – 11.3.2019

Tuesday – 12.3.2019 (Location: Melanchthonianum and Löwengebäude)						
	Room	Room	Room	Room	Room	Room
	Morphology, Systematics, Evolution	Section	Insect-microorganism Interactions	Insect-Plant Interactions	Entomology of Plant and Stored Product Protection	Section
	<i>Chair: S. Bradler</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair: P. Lösel</i>	<i>Chair:</i>
8:30	Gorb, S.: Functional morphology of insect attachment devices		Riegler, M.: Two is company, three is not always a crowd – stable inheritance of multiple insect endosymbiont lineages with diverse host outcomes	Becher, P.: Insects, plants and the smell of microbes		
9:10						

Tuesday – 12.3.2019 – Tuesday – 12.3.2019 – Tuesday – 12.3.2019 – Tuesday – 12.3.2019 – Tuesday – 12.3.2019

9:30						
9:50						
10:10						
10:30	Coffee Break					
	Room	Room	Room	Room	Room	Room
	Section	Section	Section	Section	Entomology of Plant and Stored Product Protection	Section
	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
11:10						
11:30						
11:50						
12:10						
12:30	Lunch Break					
	Room	Room	Room	Room	Room	Room
	Morphology, Systematics, Evolution	Section	Section	Section	Entomology of Plant and Stored Product Protection	Chemical Ecology and Behavior
	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
14:00	Jiggins, C.: Genomic patterns of diversification in tropical butterflies				Krüger, K.: Aphid vectors of potato viruses and their management in a changing environment	Suckling, M.: Invasive species - a target for sustainability through chemical ecology
14:40						
15:00						
15:20						
15:40						
16:00	Coffee Break and ...					
	... Poster Session					
18:00	End of Sessions on Tuesday					
	Location: Leopoldina Festsaal					
19:30	Public lecture / Öffentlicher Vortrag:					
21:00	U. Wyss: Geheimnisvoller Mikrokosmos im Lindenbaum					

2.3.2019 – Tuesday – 12.3.2019 – Tuesday – 12.3.2019 – Tuesday – 12.3.2019 – Tuesday – 12.3.2019 – Tues

Wednesday – 13.3.2019 (Location: Melancthonianum and Löwengebäude)						
	Room	Room	Room	Room	Room	Room
	Amber Workshop	Section	Section	Section	Entomology of Plant and Stored Product Protection	Chemical Ecology and Behavior
	<i>Chair: W. Wichard</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
8:30	TERMIN NICHT VERSCHIEBEN!!! Wang, Bo: New data on Burmese amber biotas				Harari, A.: Sex pheromone and information transfer	Lapointe, S.: Generating knowledge: The importance of experiment design for chemical ecologists
9:10						
9:30						
9:50						
10:10						
10:30	Coffee Break					
	Room	Room	Room	Room	Room	Room
	Amber Workshop	Section	Section	Section	Entomology of Plant and Stored Product Protection	Section
	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
11:10						
11:30						
11:50						
12:10						
12:30	Lunch Break					
	Room	Room	Room	Room	Room	Room
	Amber Workshop	Systematics and Identification	Biodiversity Decline and Loss of Insects	Medical Entomology	Entomology of Plant and Stored Product Protection	ISPI-Meeting
	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair: J. Gross</i>
14:00		Bybee, S.: From fossils to gene evolution, the importance of broad training in systematic biology	Wägele, W.: The insect decline and the necessity for biodiversity monitoring	Walther, D.: Aktuelle Situation für Stechmücken (Diptera: Culicidae) in Deutschland - ein Update		TERMIN NICHT VERSCHIEBEN! Member meeting of the International Society of Pest Information The agenda has already been mailed to ISPI members.
14:40						
15:00						
15:20						
15:40	Coffee Break					
	Room					
16:00	DGaaE-Mitgliederversammlung / General meeting of the DGaaE members					
18:00	including the award of the <i>Meigen Medal</i> and the <i>Ingrid Weiss/Horst Wiehe Prize</i>					

Wednesday – 13.3.2019 – Wednesday – 13.3.2019 – Wednesday – 13.3.2019 – Wednesday – 13.3.2019 – Wednesday – 13.3.2019

	Location: Steintor-Varieté , Am Steintor 10, 06112 Halle/Saale (see site map on page *** of this volume)
19:30	Farewell Party / Gesellschaftsabend Poster Awards / Posterpreise Beverages free until 9 pm/Getränke frei bis 21.00 Uhr
23:00	End of Farewell Party

Thursday – 14.3.2019 (Location: Melanchthonianum and Löwengebäude)						
	Room	Room	Room	Room	Room	Room
	Biogeography and Faunistics	Section	Biodiversity Decline and Loss of Insects	Section	Entomology of Plant and Stored Product Protection	Invasive Arthropods
	<i>Chair: T. Schmitt</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
8:30	Klausnitzer, B.: Entomofaunistik in Deutschland - Erreichtes, Verbesserungswürdiges und Visionen		Isaac, N.: Long-term changes in invertebrate biodiversity			Schmitt, M.: What makes invasive species invasive?
9:10						
9:30						
9:50						
10:10						
10:30	Coffee Break					
	Room	Room	Room	Room	Room	Room
	Section	Section	Section	Section	Entomology of Plant and Stored Product Protection	Section
	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
11:10						
11:30						
11:50						
12:10						
12:30	Lunch Break					
	Room	Room	Room	Room	Room	Room
	Section	Section	Section	Section	Section	Section
	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>	<i>Chair:</i>
14:00	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!
14:20	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!
14:40	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!	Slot möglichst nicht füllen!
Ende der Entomologentagung 2019 / End of the Entomology Congress 2019						

Noch nicht eingetragener Hauptvortrag:
Müller, M.: Waldentomologie - eine echte Herausforderung
